SKILLS

- Python
- R
- C/ C++
- Tableau
- Data Visualization
- SQL / Mysql
- Machine Learning
- Operating Systems: Windows, Linux

COURSEWORK

- Machine Learning
- Deep Neural Network
- High Performance Computing
- Game Theory
- DBMS

CERTIFICATIONS

- Google data analytics certificate (Coursera)
- 30 days of google cloud program
- Python Data Science Workshop (IIT BOMBAY)
- MATLAB Onramp Course
- Microsoft AI Classroom Certificate (NASSCOM)
- C & CPP Professional Certificate (Coursera)
- Design Thinking and Global Startup course from Coursera
- Design Thinking from Innovation course from Coursera

LANGUAGES

English, Hindi, Marathi
