EXPERIENCE

Research Intern, DYPIU

June 2021 - August 2021

Studied Various Machine Learning Algorithms.

Flutter Development, Internship

June 2021 - September 2021

Worked as flutter developer at EduTekZila.

Executive Member, Codechef DYPIU Chapter

September 2020 - July 2021

PROJECTS

BI Dashboard— *using Power BI*

An interactive visualization dashboard for a large dataset.

Loan Prediction — using ML *with model comparisons*

Used Logistic Regression, Random Forest and Decision Tree and compared all on accuracy basis after K-Fold cross validation.

Forecasting Stocks— Visualizing and Forecasting stocks

A website that visualizes the forecasted stock using the required ticker.

EDUCATION

Degree	Institution	Score
B.Tech CSE	D.Y Patil International University	8.5/10 CGPA [2019]
Senior - Secondary (Pre-Engineering)	RBSE (Rajasthan)	80.51 % [2018]
Secondary (High School)	RBSE (Rajasthan)	88.79 % [2016]

SKILLS

Python | Algorithms

Big Data | Hadoop

Machine Learning | AI

Data Mining | EDA

Power BI | Data Visualization

Deep Learning | NLP

Statistics | Calculus

My SQL | MongoDB (Basics)

Flutter | Dart

AWARDS/CERTIFICATIONS

Microsoft AI Classroom Series

Data Science for all, IIT Roorkee

Python for Data Science, IBM

Big Data 101, IBM

Machine Learning Badge, Linkedin

Python Badge, Linkedin

Undergraduate & Masters Asia Virtual Experience Program, Microsoft

LANGUAGES

English, Hindi
